SummerGlen Golf Club

Etiquette and Rules

Dear Prospective Member,

Welcome to SummerGlen Golf Course! We would like to take this opportunity to present you with the exciting and affordable Prepaid Annual Golf rates.

SummerGlen Golf Club, located in Ocala, is an 18 hole championship course. It is designed to provide five tee choices ranging from 4000 to 6500 yards. Our well manicured golf course will provide the player with challenging yet enjoyable golf with pleasing scenery no matter the tee one chooses.

To complement the excellent golf course and practice facility, the course also offers a variety of social events for Residents and Guests. The recently renovated Grill, featuring Turnpike Mike's, features delicious dining options and a large selection of craft beers - it's the perfect place to hang out after your round, or anytime for that matter!

You will find the Prepaid options on the following pages. If you have any questions, or would like a tour of the Golf Course, please contact management at (352) 307-1766. We look forward to having you join one of the best courses in Central Florida!

SummerGlen Golf Course

Carts - Cart traffic is particularly damaging to turf, and the following are designed to minimize damage.

- Carts must have two players unless there are an odd number of players in the group, i.e. Foursome - 2carts, threesome - 2 carts, twosome - 1 cart
- Carts are encouraged to remain on paths as much as possible. When not on paths carts are encouraged to drive in rough rather than on fairways.
- Carts should not enter staked and/or roped areas around tees and greens and should never get nearer than 60 feet. Carts issued handicap flags may come no closer than 30 feet and must park in areas near greens designated by blue stakes.
- Carts are not allowed in hazards, private residence yards, sensitive landscapes and pedestrian sidewalks.

Pace of Play - An efficient pace of play is one of the primary facets of an enjoyable round of golf for players of all skill levels and is an important factor in motivating non-resident players to return to SummerGlen. Players should be cognizant of the groups in front and behind them while maintaining an adequate pace.

General

- All members and guests are required to sign in prior to teeing off.
- No pets are allowed on the course at any time.
- Fill all divots with sand provided. Players are strongly encouraged to fill any adjacent divots as well as their own.
- Repair ball marks on greens. As with divots, please repair adjacent marks.
- Rake bunkers after use.
- Dispose of waste properly in trash receptacles provided.
- Balls out of bounds on private residence property may be retrieved, showing proper respect for landscaping and décor.
- If a player would have to stand on private residential property to play a ball that lies on course property, the player must drop the ball, without penalty, at the nearest point of relief so as to no longer stand on private property.
- Players must be properly dressed on the golf course. Specific restrictions will be at the discretion of the Golf Operations Manager.
- Each player must play with their own set of golf clubs and golf bag.
- There shall be no more than four players in a group.
- Players must register and/or prepay at the golf shop and must provide documentation to the starter or ranger upon request.
- The starter may assign players with others to fill groups
- The course operations manager, as authorized by the Board of Directors, shall have the right to take appropriate corrective action.

Local Rules

Out of Bounds is defined by white stakes, (private residential properties in the absence of white stakes), inside edges of paved roads including curbs and all property fences. A ball that crosses a roadway that defines *Out of Bounds* and comes to rest on another part of the golf course is still *Out of Bounds*. Note: In deference to our residents, a player who would have to stand on a private residential property to play a ball that lies on course property must drop the ball, without penalty, at the nearest point of relief where the player is no longer having to stand on the private property

Penalty Areas are marked with red stakes.

Sandy and coquina areas to the right of 9th and 11th fairways are waste areas and in play.

Restroom on Hole #4 is marked as a *Penalty Area*. A ball landing in that area can either be played as it lies or *with a one shot penalty*, be moved to drop area near restroom.

A ball on Hole #4 cart path near green has additional option to go to drop area near restroom.

All berms are in play and if ball cannot be found or played it is considered either lost or unplayable. In order to keep play moving, a *Provisional Ball under Rule 18.3* may be played in either circumstance.

All concrete drainage pipes and rocks surrounding them are a free drop.

In DRA's play the ball as it lies, except if in a tire rut or on an embedded rock or concrete.

Free relief may be taken from a flowerbed (*cord grasses not included*), newly laid sod, and staked trees.

Free Relief may be taken if when dropping a ball within a *Drop Area* and if the ball comes to rest in a divot. The player may re-drop the ball with no penalty. If upon the re-drop, the ball again comes to rest in a divot, the player must place the ball as near as possible where the ball first touched the ground on the re-drop.

Erosion or washout in sand bunkers shall be played as *Ground Under Repair*. Drop in nearest relief in bunker.

If there is doubt as to whether your ball is in or is lost in the *Penalty Areas* on Holes 10 & 11, you may play a *Provisional Ball under Rule 18.3*. If the original ball is found *outside* the *Penalty Area*, the player must continue play with it. If the original ball is found in the *Penalty Area*, the player may either play the original ball as it lies or continue with the ball played provisionally.

Relief may be taken anywhere on the course from dangerous situations including but not limited to fire ant mounds, bees/bee hives, alligators, snakes, etc. Take 1 club length from nearest point of relief where the dangerous situation no longer affects

If there is any doubt as to proper procedure, notify your opponents, and play a second ball. The *tournament committee* will decide proper ruling upon completion of round.

MEMBER BENEFITS

ANNUAL MEMBERS
